We are pleased to offer you an internship with One2X Technologies Pvt Limited. This is an educational internship & our goal is for you to learn more about AI/ML development and backend integration.

As we discussed, your internship is expected to last from 1st Feb, 2025 to 31st July, 2025. However, at the sole discretion of the Company, the duration of the internship may be extended or shortened.

As an intern, you will not be a Company employee & will be given a Certificate of completion and a stipend in the range of ₹ 10,000/- to ₹ 15,000/-. You understand that participation in the internship program is not an offer of employment, and successful completion of the internship does not entitle you to employment with the Company.

During your internship, you may have access to confidential, proprietary, and/or trade secret information belonging to the Company. You agree that you will keep all of this information strictly confidential and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of the internship, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.
